PC Help@Home now hosts business grade websites that won't blow the budget. Pricing available on request or [here](#).

Preventative Maintenance

Over the past two decades, PC Help@Home has found that computers receiving quarterly maintenance, run more efficiently, are more secure and encounter less costly repairs. Remote Access Preventative Maintenance includes a Security Checkup (update, scan and minor removal), Important Windows Updates, Software Updates, Backup Check, Disk Cleanup and Disk Defragmentation (if required). \$90.00 per half hour.
 Please book online or call us on 0410600595 to discuss your Preventative Maintenance requirements.

To place an order please call us 10am to 6pm Monday to Friday on 0410600595 or visit www.pchelpathome.com.au and click "Online Booking" to schedule an appointment.
